- Ability to maintain a positive outlook when challenges arise

Representative Duties

Under the general direction of the Managing Director and the Surgeon(s), the successful candidate will be responsible for the effective and efficient provision of clinical support activities.

Duties include:

- Scheduling clinic appointments, arranging investigations, and slating OR procedures;
- Coordinating physician's calendar with respect to surgeries, meetings, clinics, and teaching sessions; as well as preparing call schedules
- Triaging of telephone calls and reception duties;
- Typing a variety of confidential material related to administrative, patient care, research and teaching activities; as well as processing of digital/manual transcription;
- Basic billing procedures;
- Filing and processing mail;
- Miscellaneous administrative/clinical duties as assigned.

This position requires a current satisfactory Criminal Records Check (including Vulnerable Sector Search), Child Abuse Registry Check and Adult Abuse Registry Check as conditions of employment. The successful candidate will be responsible for any service charges incurred. A security check is considered current if it was obtained no more than six (6) months prior to the start of employment.

The University Medical Group is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual and gender identities, and others who may contribute to the further diversification of ideas.

If you require accommodation supports during the recruitment process, please contact the UMG Business Office at info@universitymedicalgroup.ca or 204-789-3645. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

"We thank all who apply and advise that only those selected for further consideration will be contacted"
